

# Hot Air

## Message from the President

April 2017

We have an agreement with the baseball leaseholder and are ready to begin flying at Entradero Park! The leaseholder has made a few requests regarding our use of the field. Our guidelines for flying at the Entradero have been updated to reflect these changes. A few key points are as follows:

1) The baseball leaseholder has requested that any issues regarding the use of the field be handled internally to PSF. In other words, regardless of what the issue is, bring the issue to your club officers. Do not contact the leaseholder directly.

2) The baseball organization will maintain a list of PSF members who are authorized to fly at the field. PSF will provide regular updates to the list. PSF badges need to be displayed while using the field.

3) 3) As before, no flying will be allowed from the field when games, practices or field maintenance is underway.

4) The baseball organization will maintain a field schedule that will be shared with PSF leadership. PSF will distribute the schedule to the membership. The sharing of this schedule may take a while to perfect and PSF members may not be able to fly due to conflicts. Be flexible.

5) Since flying is not allowed when there are organized games or practices at the other fields at Entradero, PSF will work with West Torrance Little League to gain insight into the WTLL field schedules.

Please attend the April meeting this coming Wednesday, April 5th, to discuss the new guidelines

for flying at Entradero and to fill out the paperwork that will allow you to start flying there. The meeting will be held at the community center at La Romeria Park, starting at 7:30 PM.

Baseball season is underway at Entradero Park. Flying on Saturday through the season will not be possible. Flying Sunday mornings will be very limited. We will share the weekend schedule with you as it becomes available. There will not be a Fun-Fly at Entradero Park in the month of April.

### Next Meeting

**Wednesday, 4/5  
La Romeria Park  
7:30 pm**

However, this month's Del Cerro Fun Fly will be held Saturday, April 8th. Guys usually start arriving between 12:00 and 1:00. The long range forecast is for rain in the evening of Friday, the 7th. Clearing winds on Saturday should be blowing in the 15-17 mph range out of the west-southwest. It could be a fun day for some heavier planes.

The hill is green and the mustard is tall. Be careful on the front of the hill and be aware that rattlesnakes have been observed. Finding a downed plane in the mustard plants when they are tall is always a challenge. Work with a spotter if you head over the fence.

### Upcoming Fun-Flys

**Del Cerro      April 8th  
Entradero     None**

Please submit your paperwork to renew your PSF membership to Don. He has been proactive in developing membership applications for current members and we should have Entradero sign-up packages at the meeting.

The [Planes of Fame Air Show](#) scheduled for May 6-7 may not happen. A lawsuit has been filed by a consortium of Chino Airport businesses. Additional information on the lawsuit and what you can do to

support the air show can be found at the site, if you are so inclined.

***Don't forget to attend the  
April club meeting!***

All the best,  
Jeff
