

Hot Air

Message from the President

February 2022

Happy February, everyone! I hope you are doing well.

We *will* be holding a meeting this month at La Romeria Park, February 2nd at 7:30 PM. The focus of the meeting will be to provide an opportunity to turn in your 2022 PSF application. Our club secretary, Don, will be at the meeting to process your paperwork and will have applications available. If you plan on flying at Entradero Park, you will be able to get the gate combinations as well. Please bring and wear a mask while in the building.

As always, please bring in your latest project and share it with the membership. It's always cool to see what members are working on and flying.

Once again, I trekked out to the Chino Airport and the Planes of Fame Museum to see their F-86 Sabre take to the air. The flight was preceded by a presentation on the F-86 and this aircraft, in particular. I have included a few pictures from the event, including a few visitors. Find more information about the F-86's history [here](#).

Continuing with the Korean War theme this month, Saturday February 5th, the museum will be flying their [MiG 15 Jet](#). Check it out.

There is quite a variety of events scheduled in California for February. If you decide to attend, please consider sharing photographs and your impressions in our newsletter. Here's the full [schedule](#).

Entradero Park is available for weekday flying. Combinations have changed. Please submit your 2022 application and contact a club officer to obtain the combination.

Last week, I flew in the morning. There were over 60 geese on the field and at least that many ducks on the pond. It was quite a sight when all the birds took to the air when I launched my YAK 54! Mid-airs with the birds were a real possibility. I couldn't stop laughing. Not my best flight.

Next Meeting

**February 2nd
La Romeria Park
7:30 pm**

The long range forecast for Saturday February 5th at Del Cerro Park is for winds of 9 mph out of the west-northwest. If this forecast holds, the hill will not be flyable. If the wind direction shifts to the southwest, the Fun Fly will take place. Guys start showing up around noon this time of year.

Once again, Don will be at the Wednesday, February 2nd meeting to process your 2022 application. This is the easiest way to get it done, so come on out! As always, you can find the membership package on our [website](#).

Upcoming Fun-Flys

**Del Cerro February 5th
Entradero None**

Please consider writing an article for the newsletter and sharing some photographs of what you are up to.

Hope to see you at the meeting or at one of the fields.

All the best,
Jeff

Planes of Fame F86 Sabre & Friends
