

Hot Air

Message from the President

January 2013

Happy 2013 to all!

I hope everyone survived the end of the world as predicted by the Mayan calendar. It was pretty touch-and-go there for a while. Now all we have to do is get through the Fiscal Cliff and it will be smooth sailing. I don't know about the rest of you guys, but I would have lost my job a long time ago if I performed at work as poorly as our Congressmen do. Pitiful. Oh well, we will see how the New Year plays out.

Regardless, you will be happy to know that all of your club officers will be returning in their same rolls for the next year. Please give Jerry, John, Mike and Chris a big "Thank You" for all they do to keep the club afloat. Without the support of these guys, your club would disappear.

It is time to renew your membership with the club for the year. The new web site is up and you should have access to the forms. You can mail the forms to John or come to the meeting and drop them off. The first meeting of the year will be **Wednesday January 2nd**.

The weather has made it difficult for me to get out and fly. It seems that whenever I get a window to put a plane in the air, the rain or wind has prevented me from getting out. However, the down time does provide the opportunity to

patch up the fleet and perform a few repairs.

The AMA Convention is a couple of weeks away. The dates are January 11th, 12th and 13th. You should have received an e-mail from the AMA offering reduced price tickets which are available on line. The Convention is always a great place to see what is new in the hobby, pick up cool stuff and chat with the vendors. I hope to see you there. *[Ed: Check out the AMA Expo item on our website.]*

We will attempt a Fun-Fly at Del Cerro **Saturday the 5th**. The forecast looks promising, cross your fingers. The Entradero Fun-Fly will be held on **Saturday the 19th**.

The new club hats are still available in all three colors. We will have them at the meeting or you can contact me if you are interested.

Have a safe and happy New Year.

- Jeff

As always, there will be a raffle at the January meeting. It's likely to be a lightly-attended event, so your chances of winning something will be good.

Come on out!
