## Message from the Editor

July 2014

This month, it seems our fearless leader is off on an adventure and has not had an opportunity to send us a message. However, Jerry has provided a collection of photos of Space Shuttle Endeavor at the Science & Industry Museum and the Scale Squadron event recently held at Prado. I hope you enjoy them.

We will, of course, hold our monthly meeting - with or without Jeff - on Wednesday, July 2nd at the usual place and time. Jeff has not selected fun-fly dates, so I'll suggest Saturday, July 5th at Del Cerro and Friday, July 25th at Entradero. Of course, any day flying is a "fun-fly", so come on out often.

Jerry has promised us some excellent goodies for this month's raffle, so please come out.

-Chris
