## Message from the President

July 2018

The first Wednesday of July, our regular meeting day, is the Fourth of July this year. Obviously, we will not be having a meeting this month. We will meet in August.

The meeting room at La Romeria Park has been reserved for the next year in support of our monthly club meetings.

As a PSF member, you are the heart and soul of the club. Please consider bringing your latest project to a club meeting or writing up an article with a few pictures for the club newsletter. Everyone enjoys seeing what others are up to and learning from your experiences.

Our PSF VP, John Spielman stated at last month's meeting that the City of Rancho Palos is considering closing the parking lot at Del Cerro Park to all park visitors. The reason for this closure is to appease the local residents who claim they are restricted from accessing their driveways. Please consider contacting RPV representatives and stating your opposition to this move. It is already difficult for us to find parking close to the Park to transport our planes to the cliff. This move, if enacted, would require us to park even further away.

If you or one of your flying buddies hasn't renewed your PSF membership this year, please take the time to submit your PSF application and field fees to Don for 2018. All fees are the same as last year. Don will have the paperwork at the August meeting, should you plan on attending. Otherwise all of the forms can be obtained from [our website](#).

West Torrance Little League baseball has wrapped up their season. at Entradero Park The fields are being used on an irregular basis by club teams. Unfortunately, no schedules are posted for the current field usage. Be flexible on weekends if you head to the field. Weekday mornings are pretty much wide open. Some of our members have been flying on Wednesday and Friday mornings.

### Next Meeting

**August 1st  
La Romeria Park  
7:30pm**

Please contact a club officer if there are any issues with gate or field access. Remember that only club officers can distribute the combinations to club members.

There will not be a Fun-Fly at Entradero Park in the month of July. However, this month's Del Cerro Fun Fly will be held Saturday, July 7th. Guys usually start arriving between 12:00 and 1:00. The long range forecast is for sunny skies, a high in the low eighties and wind of 12mph out of the West-South-West. It should be a very flyable day. Charge up a plane and head up to the hill. Bring something cool to drink and watch yourself if you head over the fence to retrieve a plane.

### Upcoming Fun-Flys

**Del Cerro July 7th  
Entradero None**

Don't forget to renew your Peninsula Silent Flyers membership and remember that we will not have a meeting in July.

All the best,  
Jeff

## July Modeling Meets in California

7/7/2018 -- Lake Balboa, CA (C) VALLEY FLYER CLUB FUN FLY. Site: Apollo Xi Field. Robert Smith CD PH: 661-609-2730 Email: bobthesmith2003@yahoo.com. Visit: valleyflyers.club. Sanction #18/1154.
