## Message from the President

June 2018

I hope everyone is taking advantage of the weather and getting out and using our flying sites. The whole purpose of our club is to maintaining access to Del Cerro and Entradero. We are very fortunate to have two flying venues in LA County. Please do everything within your power to encourage others to join our club in support of keeping our fields open!

Over the past several months, I have fielded a lot of questions from non-members about flying various types of rotorcraft at Entradero Park. The field is open to rotorcraft (helicopters and drones). All maximum weight and flying rules pertain as outlined in our field guidelines. If anyone inquires about flying rotorcraft at Entradero, encourage them to join the club.

Our July meeting date falls on the fourth, so we'll not have a meeting next month. I know you are all terribly disappointed.

If you or one of your flying buddies hasn't renewed your PSF membership this year, please take the time to submit your PSF application and field fees to Don for 2018. All fees are the same as last year. Don will have the paperwork at the June meeting, should you plan on attending. Otherwise, all of the forms can be obtained from [our website](#).

The West Torrance Little League master schedule shows the regular season concluding mid-June. However, with All-Star practices and scrimmages taking place, the fields may be in use weekday evenings and some weekends. Stay flexible and remember to not fly when baseball activities are ongoing. I will work to confirm the schedules and let you know when Little League finishes up.

Please contact a club officer if there are any issues

with gate or field access. Remember that only club officers can distribute the combinations to club members.

There will not be a Fun-Fly at Entradero Park in the month of June. This month's Del Cerro Fun Fly will be held Saturday, June 9th. Guys usually start arriving between 12:00 and 1:00. The forecast for the weekend is for sunny skies and 12mph out of the west-southwest. It should be a very flyable day. Charge up a plane and head up to the hill. Don't forget the sunscreen.

Don't forget to renew your Peninsula Silent Flyers membership and remember that we will not have a meeting in July.

All the best,  
Jeff

### Next Meeting

**June 6th**  
**La Romeria Park**  
**7:30pm**

### Upcoming Fun-Flys

<b>Del Cerro</b>	<b>June 9th</b>
<b>Entradero</b>	<b>None</b>
