Message from the President

November, 2012

Greetings everyone!

Wow, charging to the end of the year already. Not sure how we got to November, but here we are, like it or not.

Everything appears to be really quiet at the fields with regard to our City interfaces or issues with the neighbors. Keep up the good work, I like it this way. That said, if you are aware of any issues or concerns, please let me know about them so we can work them before they become a major issue. No new issues at the fields also means I don't have a lot to report.

I recently received my 2013 AMA membership card. Time to renew for next year if you haven't done so already.

It would be great if we could get stronger attendance/usage up at Del Cerro. We will have a Fun-Fly this **Saturday, the 9th**. Folks usually start showing up around noon. Hopefully, the rain will miss us. Being on the front or back side of a storm can make for some great flying, however. Hope to see you on the hill!

The Fun-Fly at Entradero will be held **Saturday, November 23rd**. I'll notify the baseball guys and see if we can avoid a conflict.

As I mentioned last month, Udo Kolter had experienced a couple of health-related issues that he was recovering from. Unfortunately, Udo's wife, who had been battling an illness for many years, recently passed away. Sometimes life

doesn't seem all that fair. My thoughts and prayers are with you, Udo.

Jerry Lake continues to do a great job with the monthly raffle at the meeting. Make a point to attend the meeting and buy a few tickets. We will also be discussing the end of year holiday raffle and officers for next year.

I have been working with a new embroidery service on getting PSF baseball caps made. The last place strung me along for quite a while and never came through. I may have a partial order available at this week's meeting. They should be less than twenty bucks each - first come, first serve.

See you at the meeting this Wednesday. Looking for lift with no moisture on Saturday.

Jeff
